

### **SNCA Board Update “Board Shorts” July 2020**

We hope you and your loved ones are in good health and good spirits. Welcome summer!

#### **Hoskyn Channel Dock (also called “End of the Road”)**

**Important Update: Dock will be detached:** The SRD excavator contractor will be working to remove the sediment build up under the dock on Saturday July 4<sup>th</sup>. During a few hours before and after noon, which is lowest low tide for several weeks, the dock will be detached from the gangway. For efficiency of the work, and safety of your boat, please plan your use of the Hoskyn Channel dock for a different time.

Kindly pass this message on to any dock users who might not receive this notice.

**Vehicle parking:** Because of the shortage of parking, we’re asking everyone to use the parking area judiciously. Out of fairness to others, occupy no more than 1 parking space. Should you have additional cars, trailers, etc., please consider parking them elsewhere in summer months.

#### **Market lunch at the Surge Narrows dock**

Our first “test” market lunch to test all the COVID protocols in practice took place last Friday. Thank you to those who braved the rain to enjoy the camaraderie, ambience, and service to individual private tables under our tents.

**Our 2<sup>nd</sup> “test” market lunch in sunshine will be this Friday July 3<sup>rd</sup>, 12:30 – 2 PM, at the Surge Dock. Please join us.** This new timing has been set to match with grocery pick-ups.

If the protocols can be met, and willing hosts come forward, there will be market lunches.

Understand the extra work in meeting COVID protocols is a community service being provided by your host.

#### **Lot 302 trail update**

Thank you to the trail-building crew for the progress to date creating a beautiful walking trail that displays the unique features and biology of the land. The trail location and methodology has been approved by reputed biologists and trail experts.

The old A-frame was safely taken down and the burnable portion will become a fall bonfire.

#### **FYI: Other Community updates**

##### **Surge Narrows dock and tourism**

- Corilair is now welcoming Canadian passengers only on their tourist flights; these tourists disembark and often take a short tour at Surge Narrows. American and international passengers will not be allowed on flights. Any questions, you are welcome to call Mike at Corilair at 250-287-8371.

- SNCA is contacting the whale watching groups who previously made Surge Narrows dock a bag-lunch and potty stop to discuss their plans.

*Board of Directors*

*Surge Narrows Community Association/ Sheila, Rosie, Steve, Jim, Ginny*

## Current Events and Notices

**Medical Clinic June—TBA**

### IMPORTANT HOSKYN CHANNEL DOCK MAINTENANCE NOTICE

The dock and ramp will be detached on Saturday July 4<sup>th</sup> for the morning and part of the afternoon. Please no boats at the dock, and no beach loading while the excavator is at work.

### Come for Market Lunch and Social

Friday July 3<sup>rd</sup>, 12:30 – 2 PM Surge Narrows Dock

Note change in time to match with grocery pick-up.

Judith shared this from Tla'amin Elder, Elise Paul, and her online book "**As I Remember It**".

We live in the ancestral territory of the Homalco, (Bute area), and Klahoose, (Cortes and Toba area), who are closely related to the Tla'amin and referred to in this online book. The Tla'amin ancestral area is Cortes, Powell River and nearby islands. KB

*"Raised by her grandparents on their ancestral territory on the Sunshine Coast, Elsie Paul of the Tla'amin Nation spent most of her childhood surrounded by the ways, teachings, and stories of her people. As her adult life unfolded against a backdrop of colonialism and racism, she drew strength and guidance from the teachings she had learned. In "As I Remember It", she shares this traditional knowledge with a new generation in an engaging style and innovative format.*

*With this immersive online publication, readers can learn about the Sliammon language, listen to Elsie tell her stories, and watch short animations of legends and events. They can navigate by theme – Colonialism, Community, Territory, Wellness – explore the contents through interactive maps, browse the audio and visual galleries, or make use of the instructional materials designed for teachers and students."* <http://publications.ravenspacepublishing.org/as-i-remember-it/index>

## **Grocery Update**

Everyone was happy with the Costco and Gunter Bros. meat deliveries in June so we will be repeating that shop monthly about mid-month.

### **The next Costco and Gunter Bros. delivery will be on July 17th**

I am still waiting for a more comprehensive Costco list from the Ferry Godmother, who shops for us and delivers both these orders to the end of the road. I'm hoping this list will include prices and item sizes to make shopping easier, especially for those who don't have a Costco membership, (not needed for Surge Shops!), and who aren't familiar with the products offered. There are some very good deals although it's good to price-compare because Superstore in Campbell River is often cheaper for some things. Costco cheeses, however, are highly recommended, our current favourites being a wedge of hard Manchego, blocks of Rugged Coastal Cheddar, and Dubliner, or med.-hard, raw-milk Emmentaler - but there are many more.

### **On Costco and Gunter Bros. weeks, there will be no Save On order**

Is anyone interested in doing a Yellow Dog order in July sometime? Let me know asap. Check out their products at <http://yellowdogbulkwholefoods.com/> Note that full bag prices are 20% lower than prices for retail but we will need a two week lead time for this order.

Judith

From the Yellow Dog Bulk & Whole Foods – Home Page

Hello website shoppers. Full bag website products are priced 20% less than Yellow Dog's retail prices. To ensure our customers receive the freshest product we place our full bag website orders bi-weekly with our wholesalers.

- Cummins Marine Technicians**
- Painting and Detailing**
- Shipwrights & Fine Wood Workers**
- 2 – 40X80 Sheds, 1-60x80 Shed**
- Emergency Services Available**

**PLB1, the World's smallest PLB**

Waterproof to 15 m	No subscription	 <b>FREE</b>
Link via satellite to Emergency Services	<b>406 MHz</b>	
Fast accurate positioning	<b>66 Channel GPS</b>	
Homing Beacon to aid final location by Search and Rescue craft	<b>121.5 MHz</b>	
7 year battery life		30% smaller

Wherever you are, at sea, on land, the **rescueME PLB1** provides the reassurance that global emergency services can be alerted by the press of a button.

**rescueME PLB1** works with the only officially recognised worldwide dedicated search and rescue satellite network (operated by Cospas Sarsat). As this is funded by governments there are **NO CHARGES** to use this service. When activated the **rescueME PLB1** transmits your position and your ID to a Rescue Coordination Center via satellite link. Rescue services nearest to your are promptly notified of your emergency and regularly advised of your current location to assist prompt rescue.
